

GOKUL BHOI

Frontend Developer

gokulb0702@gmail.com | +917447628032 | Pune, India

Portfolio | **Linkedin** | **HackerRank** | **GitHub**

EDUCATION

SSBT CoET

Computer Engineering Bachelors

CGPA: 8.99

Jalgaon, India

July 2018 - July 2022

EXPERIENCE

Infosys | Frontend Developer

Pune | Nov 2022 - July 2024

- * Worked with UI/UX designers to translate their designs into functional web applications.
- * Collaborated with backend developers to improve website functionality and integrate new features.
- * Defined and translated user requirements into project designs and implementation plans.
- * Used React and react hooks with Material Design Bootstrap to develop a well responsive website. State management was done using Redux toolkit.
- * Utilized version control systems such as Git to track changes throughout the development process.
- * Worked upon frontend design system plan.

Renocrew Solutions | Frontend Developer Intern

Remote | Sept 2022 - Oct 2022

- * Attended training courses to build understanding of processes, techniques, and industry.
- * Learned new materials, processes, and programs quickly.
- * Performed assigned tasks that include developing SPAs using HTML, CSS, JS and some frontend packages for styling.
- * Analyzed the given requirement and designed the solution in Python.
- * Conducted unit tests on developed applications.
